

## SIHAM 2018 – Conference Program

**Note: 1<sup>st</sup> of March: Pre conference CME (9am -4.30pm) and Conference inauguration and Presidential Oration from 6pm onwards**

	DAY I – 02.03.18 (SATURDAY)	Speakers
8 –9.30am	<b>S1. Fascinating Adaptation strategies</b>	
	Cross talk – host, microbiota and opportunistic fungi	Dr. Jean Paul Latge
	Biofilms – The unwanted house guest	Dr. Niranjan Nayak
	Diabetes & Mucormycosis – complex interplay	Dr. Shukla Das
9.30 – 11am	<b>S2. SESSION 2 Antifungal agents and vaccine</b>	
	Newer antifungal agents	Dr. David W. Denning
	Non classical antifungal agents	Dr. Jagdish Chander
	Antifungal Stewardship Fungal	Dr. Abhijit M. Bal
11.30am – 1pm	<b>S3a. Allergic fungal diseases</b>	
2 Parallel Sessions	How to diagnose ABPA	Dr. Ritesh Agarwal
	Controversies in categorization fungal rhinosinusitis	Dr. Jayanthi Savio
	Antifungal use in allergic fungal diseases	Dr. David W. Denning
	<b>S3b. Rare fungal infections</b>	
	Cerebral fungal Infections	Dr. Arunaloke Chakrabarti
	Bone & Joint infections	Dr. Anupma Jyoti Kindo
	Pythiosis	Dr. Ariya Chindamporn
2.30 – 4pm	<b>S4a. Dermatomycosis &amp; Sporotrichosis</b>	
3 Parallel Sessions	Present Management difficulties in dermatophytic infections	Dr. R. Madhu
	Recent classification of malassezia and its significance	Dr. Shivaprakash M. Rudramurthy
	Global scenario of sporotrichosis	Dr. Purnima Barua
	<b>S4b. Neglected ones of special interest in India</b>	
	Mycetoma	Dr. Vijaylatha Rastogi
	Chromoblastomycosis	Dr. Basavaraj M. Hemashettar
	Entomophthormycosis	Dr. Gagandeep Singh
	<b>S4c. ORAL PAPERS I</b>	
4.30 – 6.00pm pm	<b>S5. - SIHAM AWARDS SESSION</b>	
6.00 – 6.30pm	<b>Quiz (Fungi and fungal infections)</b>	Dr. Uma Bala & Dr. Anupma J Kindo

**DAY II– 03.03.18 (SATURDAY)**

<b>TIME</b>	<b>SESSION</b>	<b>SPEAKER</b>
8 – 9.30am	<b>S6. Fungal Diagnostics</b>	
	Biomarkers diagnostic interpretation	Dr. Ram Gopalakrishnan
	Role of Histopathology in diagnosis of IFIs	Dr. Pradeep Vaideeswar
	MALDITOF in fungal diagnostics	Dr. Anup K. Ghosh
9.30 – 11am	<b>S7a. Fungi &amp; ICU</b>	
2 Parallel Sessions	Epidemiology of fungal infections: Indian scenario	Dr. Arunaloke Chakrabarti
	How to suspect IFIs in your ICU patients	Dr. Rajeev Soman
	Removal of catheters or No catheters	Dr. George K. Varghese
	<b>S7b. Fungi in Hemato – Oncology</b>	
	Epidemiology - Indian and Global Scenario	Dr. Joy Sarojini Michael
	Empiric Therapy – order of the day	Dr. Subhash Varma
	Radiological Diagnosis -IFIs	Dr. Ashita Barthur
11.30 - 1pm	<b>S8a. Controversies in diagnosis &amp; Management</b>	
2 Parallel Sessions	Detection & isolation of fungus in sputum - significance	Dr. Rungmei S. K. Marak
	Yeast in peritoneal fluid	Dr. Pratibha Kale
	New manifestations of aspergillosis – do they all need treatment?	Dr. David W. Denning
	<b>S8b. Fungi in SOT</b>	
	Do we have any Indian Data?	Dr. Iyer Ranganathan N.
	How do you manage liver Transplant patients against IFIs	Dr. Subramanian Swaminathan
	Controversies in antifungal management in SOT	Dr. O. C. Abraham
2.30 – 4pm	<b>S9a. Rare Case Presentation One case each</b>	
3 Parallel Sessions	Dr. Rajeev Soman, Dr. Suneetha Narready, Dr. Atul K. Patel, Dr. Tanu Singhal	
	<b>S9b. Antifungal Resistance</b>	
	Resistance in Candida – Indian Scenario	Dr. Sanjay Bhattacharya
	Azole Resistance in Aspergillus species	Dr. Anuradha Chowdhary
	Do we need routine AFST?	Dr. Immaculata Xess
	<b>S9c. ORAL PAPERS II</b>	
4.30- 6.30pm	<b>S10. DEBATE: Antifungal Prophylaxis does not improve survival</b> <b>FOR:</b> Dr. Uma Bala, Dr. Subramanian Swaminathan and Dr. Pradip K. Bhattacharya. <b>AGAINST:</b> Dr. Malini R. Capoor, Dr. Atul K. Patel and Dr. Prakash S. Shastri.	Moderator: Dr. Rajeev Soman

**DAY 111 – 04.03.18 (SUNDAY)**

8- 9.30am	<b>S11. Eye Infections</b>	
2 Parallel Sessions	Fungal keratitis - a disease of epidemic proportion in Tropics	Dr. Philip A.Thomas
	Pathogenesis of ocular fungal Infections	Dr. Lalitha Prajna
	Management difficulties in extra and intra ocular fungal eye infections	Dr. Savitri Sharma
	<b>S11b. Dimorphic fungi – What’s New About Old Diseases</b>	
	Environmental niche of <i>Histoplasma capsulatum</i> and its eradication methods	Dr. Arvind A. Padhye
	Update on Talaromycosis	Dr. Khuraijam Ranjana Devi
	Rare dimorphic fungal infections in India	Dr. Harsimran Kaur
9.30 – 11.00 am	<b>S12. Oubreaks</b>	
	Candida auris	Dr. Jacques F. Meis
	Natural Disasters	Prof. Malcolm Richardson
	Special measures for fungal outbreak in hospitals?	Dr. Sangeeta Joshi
11.30am -1.30pm	<b>S13. New concepts on the block</b>	
	Cryptococcus – Newly described species and their relevance	Dr. Nagarathna S.
	Pediatric Fungal Infections – What is new?	Dr. Ritu Banerjee
	The fungus-specific Dam1 complex as an antifungal drug target	Dr. Kaustuv Sanyal
	PCR in diagnosis	Dr. Mahua Sinha
	<b>VALEDICTORY FUNCTION</b>
